

		GENIUS: Skills, knowledge and talents				
ENERGY: Likes, Interests, Niches & Passions						

Instructions:

In the left hand yellow column, enter things you are interested in or excited by

In the top yellow row, enter 5 spots of genius – skills, talents, industry or subject knowledge (whether from your professional or personal life)

Then in each square in the middle, enter one or more ideas that combine the corresponding ENERGY zone and GENIUS spot

There is an example completed form on the other tab
