

		SKILLS/ACTIVITIES YOU WANT TO USE				
TOPICS/FIELDS THAT YOU LIKE						

**Instructions:**

In the left hand yellow column, enter topics you are interested in or have experience of (either from previous work or your hobbies/personal interests)

In the top yellow row, enter 5 skills or activities you would enjoy doing or that you have some experience in.

Then in each square in the middle, enter one or more ideas that combine the corresponding TOPIC and SKILL/ACTIVITY

There is an example completed form on the other tab
